

## **\$1,000 Used Electric Vehicle Incentive FAQ**

### **Claiming Your Incentive**

**Q: How do I get the incentive?**

**A:** Test drive an EV at the EV Discovery Centre or an EV Roadshow event, take the EV 101 seminar and buy a used EV within up-to one year of taking the seminar. After taking the test drive AND attending the seminar, you will be emailed a digital certificate with a unique code. After buying your used EV, send copies of the following documents to [usedEVincentive@plugndrive.ca](mailto:usedEVincentive@plugndrive.ca):

- Bill of Sale
- Insurance
- Proof of Ownership/Vehicle Registration
- Used EV 101 Seminar Certificate

All vehicles that receive the incentive must be registered under a single owner for at least one year in order to qualify a second time. The name and address of any incentive applicant must be consistent across all four documents.

**Q: Is there a deadline for me to apply?**

**A:** Yes. You must apply within up-to one year of taking the Used EV 101 seminar.

**Q: When does the program end?**

**A:** The program does not have a specific end date and will continue for as long as funding is available. That said, once the funding ends, the program ends, so we encourage you to apply sooner rather than later. We do not have an estimate as to when the funding will expire.

**Q: Can I purchase my car before I take the seminar and test drive?**

**A:** Yes. Any purchase made on or after April 14, 2019 is eligible. You can complete the test drive and seminar at any time.

**Q: I've already done a test drive with Plug'n Drive. Do I need to test drive again?**

**A:** No. You must still complete the seminar though.

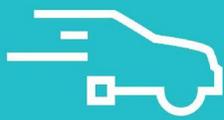

**Q: I don't live in Ontario. Do I qualify?**

**A:** No. This incentive is only available to Ontario residents.

### **Test Drive/Seminar**

**Q: How do I register for a seminar?**

**A:** Visit [plugndrive.gosignmeup.com](http://plugndrive.gosignmeup.com) to register for a seminar near you. You are welcome to bring friends and family. If you are bringing friends and family, they do not need to register online. Only individuals who plan on purchasing a vehicle and applying for the incentive need to register for the seminar.

**Q: Can I bring someone else with me to the seminar?**

Yes. Note that the person who is ultimately purchasing the vehicle and whose name will be on the bill of sale, registration and insurance must register for the seminar online at [plugndrive.gosignmeup.com](http://plugndrive.gosignmeup.com).

**Q: What is the seminar about?**

**A:** The environmental and economic benefits of electric cars, how to decide whether a fully electric or plug-in hybrid electric car is for you and things to consider when shopping for a used EV.

**Q: How do I take the test drive?**

**A:** You can test drive at either the EV Discovery Centre or an EV Roadshow event. Visit [Contact the Centre](#) for the EV Discovery Centre's hours and location. Visit [Events Calendar](#) for a full list of EV Roadshow events. Most Used EV 101 seminar days include time before and/or after the seminar for EV test drives.

**Q: I am already an EV driver. Do I really need to take the test drive and attend the seminar?**

**A:** Yes. Even though you drive an EV and already know a lot of the information covered by the seminar, Plug'n Drive must demonstrate that our primary mandate of public education and outreach has been fulfilled.

## **Finding Your Used EV**

**Q: How will I find a used EV?**

**A:** There are many classifieds websites that can help you browse used EVs in your area, including [autoTRADER](#), [Kijiji](#), [CarGurus](#) and [EVGenius](#). Your local dealership might also carry used inventory. These websites have been provided here as a resource, but you are welcome to purchase your EV from any source, so long as you are able to provide a legitimate bill of sale. You can also send your preferences to Plug'n Drive at [mycustomEV@plugndrive.ca](mailto:mycustomEV@plugndrive.ca). We will then forward them to a licensed used car dealership that will do their best to find your perfect match.

**Q: If I purchase my EV from a private seller, am I still eligible for the incentive?**

**A:** Yes. Though you must still provide the necessary documents (bill of sale, insurance, proof of ownership/vehicle registration, Used EV 101 seminar certificate).

**Q: Can I purchase my EV outside of Ontario?**

**A:** Yes. You can purchase your vehicle from anywhere, so long as: A. you are able to provide a legitimate bill of sale and B. The vehicle is registered and insured in Ontario.

**Q: What cars qualify?**

**A:** Any used fully electric or plug-in hybrid electric car with a re-sale sticker price below \$50,000.

**Q: Why the cut off at \$50,000?**

**A:** We want to help drivers who might not otherwise be able to purchase an EV. This decision rests with the funder.

**Q: I am currently leasing an EV. If I buy the car outright, do I still qualify?**

**A:** Yes. Note, that extending or renewing your lease does not qualify. You must buy the car to receive the incentive.

**Q: If I take over someone else's lease, do I qualify for the incentive?**

**A:** No. Cars that are still on lease do not qualify. In order to receive the incentive, you must complete a purchase.

### **General Program Questions**

**Q: Who is funding this?**

**A:** This program is brought to you by Plug'n Drive, in collaboration with Clean Air Partnership, and made possible through the financial support of the M.H. Brigham Foundation. This is not a government-funded initiative.

**Q: Where can I get additional information about the incentive?**

**A:** All information about the incentive and the Used EV 101 seminars is available at [plugndrive.ca/used-electric-vehicles](http://plugndrive.ca/used-electric-vehicles). You can also email [usedEVincentive@plugndrive.ca](mailto:usedEVincentive@plugndrive.ca) with questions.
